GRAPESEED OIL LOTION & LIQUID SOAP

Our moisturizing liquid soaps and lotions are enriched with good things like cold-pressed Napa Valley grapeseed oil, wine, sweet almond oil, organic aloe vera, organic honey and fresh botanical extracts. Then we blend in pure essential oils and botanical fragrances to create amazing aromas. Choose from Lavender, Grapefruit Pomegranate, Mandarin Chardonnay, Citrus Blend or Kitchen Herb. Cool fact: our label is printed on “stone paper” which uses no trees and only recycled stone to produce it so you can feel good about doing your part for the environment.
